Admiral Soisset has disbanded the oyal battalion under his command and gone to Versailles to a meeting and gone to Versailles to a meeting to day.

The deputies of the Republic left in the constant of the Contract of the Septiment of the second sent of t

WASHINGTON.

Sossip from Washington.

Washington, March 25.—The President will transmit the report of the San Domingo Commission to Congress at an early day. He does not intend to recommend any action during the present session of Congress, but desires the report to be read by the people, in order that they may form a judgment on the question from official data.

The Joint High Commission will conclude their labors in a few weeks, and asssurances come from three distinguished and well-informed parties that there will be an equitable settle.
